In March, the Bank announced that it was selected to participate as a member of the FDIC Advisory Committee on Community Banking in Washington, D.C. This Committee reports to the Chairman of the Board of Directors at the FDIC. The Bank is one of 16 banks selected from approximately 5,400 banks around the country. This Committee provides the FDIC with advice and guidance on a broad range of important policy issues impacting small community banks throughout the country, as well as the local communities they serve, with a focus on rural areas. The Committee is slated to meet three times during 2019 at the FDIC headquarters in Washington, D.C. This is an honor for the Bank to represent community banks not only from Pennsylvania, but also throughout the country.

In April, the Bank was recognized for a third time as one of the top 200 Healthiest Banks in the United States by **DepositAccounts.com**. The Bank was ranked 11th on their 2019 list and was one of only three Pennsylvania banks to appear on the 2019 list. Each year the survey evaluates the financial health of over 10,000 banks and credit unions in the United States and has been tracking healthy institutions since 2010.

On June 3, the Bank opened its newest location at 3314 Lincoln Highway East in Paradise. This full service branch is approximately 500 square feet, with two drive-up lanes, a walk-up window and an ATM that accepts deposits.

On June 24, the Bank hosted over 1,500 customers and shareholders at its 3rd Annual Customer Appreciation picnic. This event has been an excellent opportunity for the Bank to show its appreciation to our customers and shareholders. Please mark your calendar for next year's picnic – June 22, 2020.

We continue to listen to our customers to determine what banking products they would like to have. If you have any suggestions or questions about the Bank, please feel free to contact us at 717-768-8811.

Sincerely,
